Seniors and Their Pets

2014 CALENDAR

When Katy was 2 years old she was in a place where she was not treated well. The owner gave her to Dr. Oplinger of Wickenburg so he could find her a better home. About that same time Barb Kelso and her husband were looking for a dog and when they met Katy, it was love at first sight for everyone. For the last 14 years they have been growing older together.

This Picture is from the first few moments of their reunion.

Denali and Cindy were found wandering alone in a remote northern Arizona forest and taken to the Yavapai Humane Society. They were terrified of people and emaciated. Clearly they had been on their own for some time. Denali recovered rather quickly in the shelter and was adopted by Starr, a certified dog trainer that saw his potential as a therapy dog. Cindy went to a foster home for social therapy and when she was ready, she was adopted by Dean and Karen who drove three hours to bring her home. The two adopting families reached out to each other and arranged a “play date” for Denali and Cindy who had not seen each other since their time in the forest.

This is Mia and Brown Dog. Brown Dog lives with her canine friend Lily. All dogs in this family must enjoy hugs! Brown Dog showed up on the stoop of their home Christmas Eve 2007. Matt called him Brown Dog as they suspected they would find his owners. When no owners came forward the name stayed and so did Brown Dog.

If you're a senior living alone, an unexpected illness can be devastating to you and your pets. That's why we created **Petey's Playground**. We are a foster-based pet rescue serving seniors in the Congress, Yarnell, Peoples Valley, Kirkland, Wilhoit, Skull Valley, and the rural areas in between. We'll take care of your pet if you are unable to do so in a short-term crisis. In some situations, we'll care for your pet in your own home so that your companion animal will not have to face the stress of moving. In other cases, we will place your pet in a loving foster home. When you're well again, your pet will come home. We'll also assist you with finding the right new home for your pet if you decide you can no longer care for the animal.

There is no charge for this service. We are a 501 (c) 3 nonprofit animal welfare organization financed by private donations.

We want to help animals, and *you*.

You can help us by registering for our services in advance, or give us a call. We'll add your name to our list of Clients. You can rest assured that we will take care of your pets, while you take care of yourself.

Go to our website to get your form for registering your animals.
