

Dog Adoption Questionnaire

Ownership of a dog is a serious responsibility requiring a long-term commitment. This questionnaire has been designed to evaluate potential adopters and address the suitability and permanence of each dog placed in a home. Petey's Playground does not adopt based on a first come, first served basis, but places each animal in a home best suited to that particular animal's requirements. Please answer all questions completely. Once approved, an Adoption Application must be completed and a home visit conducted by a representative of Petey's Playground. Please note that Petey's does not ship animals.
